# MOUNTAIN BIKE RACE SERIES

## Cat 1/Pro Payout Schedule

For 2011, The Campmor H2H Race Series will be implementing a new payout schedule for Cat 1 and Pro. The tables below show the Pro/Cat 1 Open Men, Women, and Cat 1 minimum payout schedule agreed upon by the Campmor H2H Race Promoters. These payouts are based on an attendance of two hundred fifty (250) or more total racers. For events with less than two hundred fifty (250) participants, the payout depth of the may be reduced to ten (10) places for Cat 1/Pro Open Men and three (3) deep for Women. The Cat 1 Men payout will not change.

Cat 1/Pro Women and Cat 1 40+ Women will be combined for the start, for payout, and for points, but will be scored in the overall series individually. This will provide for greater competition as well as a deeper guaranteed payout.

For example, if Racers A, B, and C are all Cat 1/Pro Open Women, and Racers D, E, and F are in the 40+ Women Category, they will all start and race together. If the finishing order is: 1<sup>st</sup> Racer C, 2<sup>nd</sup> Race D, 3<sup>rd</sup> Racer E, 4<sup>th</sup> Racer B, 5<sup>th</sup> Racer A, and 6<sup>th</sup> Racer F, they will get prized as indicated in the table above, and they will receive 480, 456, 432, 408, 392, and 376 points, respectively. Those points will then be applied to their overall standings in their respective categories.
